Frontend Web Developer

Alexandria, Egy | +20 1210127111 | 24 DEC 1994 | Single | Exempted

Summary

Frontend Developer with 2 years of experience in building high-performance, scalable web applications using React, Next.js, and TypeScript. Skilled in UI/UX best practices, performance optimization, and modern state management solutions like Redux and Zustand. Proficient in TypeScript, ensuring type safety and maintainability across complex projects. Experienced in integrating frontend applications with backend services using Node.js, NestJS, and Prisma. While my core expertise lies in React and Next.js, I actively explore frameworks like SvelteKit, Vue, and Angular, allowing me to adapt quickly to evolving technologies. Successfully transitioned from a five-year banking career to software development, leveraging strong analytical and problem-solving skills to deliver impactful solutions. Passionate about continuous learning and collaborating with innovative teams in dynamic environments to create efficient and user-centric applications.

Work Experience

Frontend Web Developer

07/2024 - present

Profound | Alex, Egypt

- Developing and optimizing high-performance Next.js applications, ensuring 90+ Lighthouse scores in performance and accessibility.
- Building dynamic, interactive user interfaces with a strong focus on UI/UX best practices to enhance user experience.
- Integrating and consuming RESTful APIs and WebSockets, streamlining real-time data flow between frontend and backend services.
- Implementing performance optimizations, lazy loading, and code splitting to improve efficiency and scalability.
- Enhancing application security and authentication using Next middleware and JWT, ensuring secure user access and data protection.
- Collaborating closely with designers and backend developers in an agile environment to deliver seamless and responsive applications.

Frontend Web Developer

11/2023 - 07/2024

Freelance | Alex, Egypt

- Built and deployed personal and freelance projects using Next.js, React, and TypeScript to strengthen my frontend expertise.
- Developed full-stack applications, integrating RESTful and GraphQL APIs while ensuring efficient state management with Redux and Zustand.
- Optimized application performance using lazy loading, code splitting, and caching strategies for enhanced speed and scalability.
- Explored advanced UI/UX principles, accessibility standards, and responsive design techniques to create intuitive user experiences.
- Implemented authentication and authorization flows using NextAuth and JWT, enhancing security in web applications.
- Collaborated with developers and designers on open-source and side projects, gaining hands-on experience in agile workflows and best practices.

Banker

04/2018 - 09/2023

Banque Misr | Alex, Egypt

- Managed financial transactions, customer accounts, and provided tailored banking solutions to enhance client satisfaction.
- Developed strong analytical and problem-solving skills, which later helped in transitioning to a tech career in web development.

Education and Courses

NestJS

02/2025

Udemy | Online

Comprehensive course covering the fundamentals of NestJS, including module-based architecture, dependency injection, authentication, and building scalable APIs.

NodeJs

01/2025

Udemy | Online

In-depth exploration of Node.js, covering event-driven architecture, asynchronous programming, Express.js, RESTful APIs, and database integration.

OOP in JavaScript

10/2024

Udemy | Online

Detailed introduction to Object-Oriented Programming in JavaScript, including concepts like prototypes, classes, inheritance, encapsulation, and design patterns.

Modern PHP

06/2024

Udemy | Online

Master the programming language that powers the web: Learn PHP and kickstart a lucrative web developer career.

ReactJS

03/2024

Udemy | Online

Master React, a leading JavaScript framework, with this course covering components, JSX, hooks, state management, React Router, APIs, and Redux. Gain practical skills through challenges, projects, and detailed explanations.

Bachelor of Business Administration

2013 - 2017
